BENEFITTING  VOA | ALASKA

[TOAGOLF.COM](http://TOAGOLF.COM)

# Hello,

Thank you for your consideration in being involved in the 6th annual Tournament of Awesomeness charity golf tournament, once again benefitting a great organization here in Alaska, Volunteers of America.

Since I was a small boy, my grandfather would take me out on the golf course regularly and our time spent in the fresh Alaskan air under the midnight sun swinging those clubs built a lifetime of memories and a love of the game that will always be a part of me. My love of golf and our family's legacy of community involvement are the why this event came to be and why I started my foundation.

But, I cannot do it alone. Whether you have received this because of your generous involvement in tournaments passed or this is your first time, I ask you to consider being a part of this awesome event with me. From signing up for a 4 person team or sponsoring a specific need of the event, there are several ways you can help me help our community. Please take a look at these opportunities and submit your packet back to us at the information provided.

Thanks, and I look forward to hearing back and seeing you out on the course for some sun, fun and a great cause!

Best Regards,

Houston L. Carr  
Founder, Awesomeness Foundation

# Tournament Rules

**Format** Scramble - All players hit from the tee, the team then selects the best shot. Each player then hits from that spot (within a club length not closer to the pin). Play continues in this manner until the ball is holed out. If playing with less than 4 players, rotate through each player to hit for the missing player – Player A hits an extra shot, then Player B hits the next extra shot.

**Tees** Men – White Tees / Ladies – Red Tees

**Scoring** Team Captain will record the team's (actual) score on each hole, and after your round is completed, your scorecard must be signed by the captain and attested by another team member. Maximum score for any hole will be double-bogey.

**Putting** Once a ball is on the green there will be an automatic two-putt. This means the team can not three-putt. Each member takes one putt. If the ball is holed the stroke counts. If all four players miss their first putt the second is deemed to have been holed.

**Tee Shots** Two Tee Shots are required from each team member, and they need to be recorded on your scorecard.

**Rules** Winter rules will apply "Through the Green". The ball selected to play may be lifted, cleaned and placed within one club length of its original position – no nearer the hole. The position of the ball must be marked before lifting. In no case shall a ball on the fringe of the green be improved to lie on the green. If ball selected is in a bunker or hazard, the player who hit it must hit first as it lies, and then other players will place within one club length no nearer the hole but within the hazard or bunker (bunker may be raked before placing). A ball selected to be played from the rough must be played from the rough.

**Pace of Play** Any team that falls more than one hole behind will be given a warning to close the gap within the next two holes. The second warning will result in the team being asked to move forward to the next tee and taking a double par score on the hole they were playing. This will be enforced by the Anchor-age Golf Course Marshals.

## Contests

Closest-to-the-Hole (does not have to be on the green)		Men - Hole #8 / Women – Hole #3
Longest Drive (inside the tree line)		Men – Hole #6 / Women – Hole #14

**Mulligans** \$50 Mulligan Individual Package: Includes two mulligans, one 3' string and a branded Tournament of Awesomeness T-shirt. \$120 Mulligan Team Package: Includes four mulligans, one 6' string and four branded Tournament of Awesomeness T-shirts.

# Special Extras

## Special Contests for 2018 Tournament!

**Hole in One Contest:** SPONSORSHIP AVAILABLE

**Scorecards** Turn in immediately after play upstairs in O'Malley's On the Green. Golf cards shall be signed by the captain and one other player.

**Ties** Teams that tie for trophies and prizes will play off by matching cards from hole #18 backwards using the team's gross score. "Through the green" is the whole area of the course except: a) The teeing ground and putting green of the hole being played; and b) All hazards on the course.

**Banquet & Awards** PLEASE JOIN US AFTER THE TOURNAMENT FOR LUNCH AND PRIZES AT O'MALLEY'S ON THE GREEN!

# The Charity

Volunteers of America Alaska's **YOUTH PERMANENT SUPPORTIVE HOUSING PROJECT** will serve Anchorage's most vulnerable youth and young adults.

We are using research-based services to bring hope to the lives of young adults who are facing the most extreme of circumstances—homelessness, and other risk factors such as trauma, exploitation, and mental health and substance abuse challenges.

**"This program represents hope. Hope that with timely intervention, these young adults who are struggling with mental health and addictions do not end up in the homeless system for decades or worse."**

Permanent Supportive Housing (PSH) is an Evidence-Based Practice (EBP) that pairs affordable housing with support services and addresses chronic homelessness and instability of those living on the street and who are most vulnerable and most likely to die without intervention.

While there is a significant body of research around the effectiveness of PSH, nationally, this has not been done with youths or transition-aged youths. Volunteers of America Alaska will be using PSH as a critical piece of the overall strategy to end youth homelessness in our state.
